

Hothfield Play Area Options – Style and Environment

Please help by completing the questionnaire below and returning it to The Children’s Centre **by Friday 24th April**

~~~~~

## Hothfield Play Area Options – Style and Environment

Which style of equipment do you think children at Hothfield would prefer?

Please tick the styles you think most appropriate for children of different ages.

Please tick as many boxes as you wish as follows:

One tick (✓) suitable

Two ticks (✓✓) most preferred

| Style of equipment and materials       | Ages of those using the play area |              |             |        |
|----------------------------------------|-----------------------------------|--------------|-------------|--------|
|                                        | 0-5 years                         | 5 – 10 years | Young teens | Adults |
| Natural materials adapted for play     |                                   |              |             |        |
| Woodland theme                         |                                   |              |             |        |
| Equipment for families to pay together |                                   |              |             |        |
| High tech style                        |                                   |              |             |        |
| Traditional style – modern design      |                                   |              |             |        |

## Hothfield Play Area Options – Site Layout

**For the new play area design we will need to consider the location of the play area, access to it and fencing. Some options have been set out on the concept sheets**

Please write your comments on each concept in the spaces below

|                                  |
|----------------------------------|
| Concept 1                        |
| What you like about this concept |
| Possible problems                |

|                                  |
|----------------------------------|
| Concept 2                        |
| What you like about this concept |
| Possible problems                |

|                                  |
|----------------------------------|
| Concept 3                        |
| What you like about this concept |
| Possible problems                |
